Call Me©

(Music and Lyrics by Bernadete Leal)

**Hands tied in a storm of questions and answers
Your head spins around, you don't have control
You're looking for the open door to give you all the answers
But all the doors seem closed, you don't know where else to go
But some day, you'll call Me and your troubles will be far away!**

**In the middle of the night, you call Me
With your soul and all your heart, you call Me
When there's struggle inside, you've got a lot on your mind
But if the thunder scares you, I'll be there for you!**

**Busy at work, it's hard to concentrate
Your thoughts are somewhere else,
There's love, laughter, tears, maybe hate
All these mixed feelings, what are you gonna do?
It's hard to realize, but the answers are inside of you.
But some day, you'll call Me and your troubles will be far away!**

**In the middle of the night, you call Me
With your soul and all your heart, you call Me
When there's struggle inside, you've got a lot on your mind
But if the thunder scares you, I'll be there for you!**
