Light Shine Through ©
(Music and Lyrics by Bernadete Leal)

**There are many ways to let your light shine through
There are many ways to let your light shine through
There are many ways to let your light shine through
There are many ways to let your light shine through**

**With a hug, with a smile
With a song, with a dance
With a prayer, with a drawing
With a loving helping hand**

**There are many ways to let your light shine through
There are many ways to let your light shine through
There are many ways to let your light shine through
There are many ways to let your light shine through**

**Being good, being patient
Being respectful, being fair
Being positive, being happy
Being nice to your friend**
